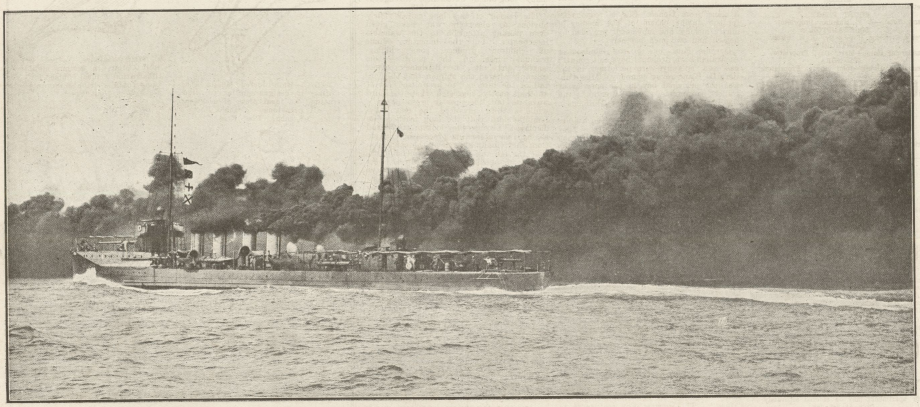
ANOTHER "ANZAC" COTTAGE.—F. W. Thiel photo.
His Excellency the Governor on Sunday last capped the first stump of the second cottage to be erected at Wynnum by the Anzac workers for a soldier's widow. Cottages at Bulimba are to be started shortly. All are erected by voluntary labour.



TO HIDE SEA MOVEMENTS FROM THE ENEMY.—A SMOKE SCREEN.
This United States destroyer is sending out a thick smoke screen for defence against submarines. This is now the practice with ships, whether men-of-war or merchantmen, in the war zone. Smoke-producing boxes as well as smoke funnels are used.—New York "Independent."
